## *The old picture*

Photo courtesy Maxine Burkholder

As earlier generations did with their horseflesh, owners of the first motor cars frequently photographed their new modes of travel. Rarely though did they take pictures of cars that had been involved in accidents. This old photo shows a car owned by Dr. David T. Gochenour, a native of the Wakeman's Grove area, west of Edinburg, who practiced medicine in the Philippines and later at Stuart's Draft. Note the AAA logo on the grill. In the Dellinger family photo published recently, the person identified as Jephtha Helsley is his brother, Jacob Joshua Helsley. The baby being held by Emeline (Teenie) Helsley Wilkins is believed to be Grace Wilkins, born 1902. The person identified as Trumbo friend is Mary Susan Trumbo May, daughter of Emeline Dellinger Trumbo. The person standing beside Emeline Helsley Wilkins is her sister, Mary Elizabeth Polk. Old photos are needed to continue this series. They may be left at The Free Press office, south of Woodstock at Narrow Passage.
