He came for the purpose of receiving medical treatment from the Drs. Henkel. A careful examination disclosed the facts, that the patient had a stone of the bladder...a surgical operation inadvisable. Mr. Settle died Dec. 30, and was buried in St. Matthew's graveyard. An effort was made to inform his friends of this event but so far there has been no response. We judge Mr. Settle was a man of 55 or 60 years of age.
